WOULD YOU LIKE KYTONS TO PACK YOUR INDIVIDUAL ORDERS FOR YOU?

Kytons can pack your individual orders for you **OR**

Pack your own orders and receive 5% off your invoice! Decide which option works for you and we'll make it happen!

More details in How Kytons **"We'll Pack Your Orders' Works"** enclosed.

COUNTRY FORMS

If you are running a fundraiser in a SA country area, we have "country forms" available for you to use to help cover the cost of freighting the products to you. The forms feature all the same products, but at 80c higher than the regular form - the extra profit per item will assist in covering the cost of refrigerated freight to your door. We can email or post the forms to you.

QKR APP

If your school uses the QKR app to order things online, we can set up a Kytons menu for you to use. Email lamington@kytonsbakery.com.au or call 81770156 to receive the QKR form to fill out. Once you return the form, then Kytons and QKR take care of orders and money – you just need to publicise your fundraiser!

kytonsbakery.com.au

- Extra copies of forms
- Forms with active fields you can type in – useful if you're emailing your forms
- Colourful, easy to read, product, ingredient and nutritional information
- Hints for a successful fundraiser
- Tally sheet to add up your orders
- Subscribe to our e-news to receive regular Kytons updates during the year
- Kytons logos and product photos if you're creating your own form or flyer

KYTONS FUNDRAISING FACTS 2024

Kytons has been South Australian owned since 1938 and we specialise in assisting community groups to fundraise with our delicious bakery products. We bake all of our products here in Adelaide and being local we offer personalised advice and support for your fundraising drive.

While we are best known for Kytons award winning lamingtons, which have **twice been awarded first prize** by the National Baking Awards, we also offer a variety of other products to fundraise with – Hot Cross Buns (**previous winner of the National Hot Cross Bun Competition**), Winter Range, including sweet and savoury pies and a Christmas Range, featuring festive fare and gift ideas.

You'll find lots more information about Kytons product ranges, product availability and tips for running a successful Kytons Fundraising Drive in the attached fundraising pack and on our website www.kytonsbakery.com.au

7 EASY STEPS TO RAISING FUNDS WITH KYTONS PRODUCTS

1. Plan the date to receive your products and **call to book the date with Kytons**.
2. Work out the date for forms to be returned to you. **Remember to allow yourself enough time to collate orders and notify Kytons by Thursday the week prior to your collection/delivery date.**
3. Put the dates on the master form (you'll find several types enclosed, choose the one containing the products you wish to fundraise with), photocopy and distribute to your students/members etc. Forms with active fields for emailing can be found on our website.
4. Collect forms, money and tally the totals. **You'll find a tally sheet on our website.**
5. **Ring Kytons with the final order or email the tally sheet by Thursday the week prior to your collection/delivery date.**
6. Pick up or have your orders delivered (we can now pack your Individual orders - see separate information sheet) and distribute to your customers.
7. Plan how to spend your new funds!

IMPORTANT: Please check your chosen day of the week and date against the product availability chart in the attached newsletter.

OTHER IMPORTANT INFORMATION ABOUT FUNDRAISING WITH KYTONS

WE CAN PACK YOUR INDIVIDUAL ORDERS

Kytons can pack your individual orders for you or offers a discount if you pack them yourselves:

- We can pack the individual orders (one order per student/member), removing the need to gather together a team to do this task **OR**
- If you choose to pack the orders yourself, we'll give your group a 5% discount off your invoice total (we suggest this option for country customers as packing individual orders will increase the freight costs).

Please see the "How Kytons 'we'll pack your orders' works" information sheet for more information.

Minimum Orders

There is no minimum order requirement but orders of less than 24 packets will attract the "suggested sell price to your customer" price detailed in the enclosed newsletter.

Payment

Unless being freighted to the country, orders are cash on delivery or collection. Payment can be made by EFT prior to collection or cash, cheque or eftpos if you are collecting from Kytons. Country orders are dispatched with a 7 day account enclosed.

Delivery

Delivery is available to both the Adelaide metropolitan area or via freight company to regional SA (subject to availability of refrigerated transport).

Adelaide Metropolitan Area

Delivery cost is on a sliding scale depending on how many products you sell.

Less than 150 items	\$40
150 – 300 items	\$30
More than 300 items	Free Delivery

Or we encourage you to visit Kytons at Edwardstown to collect your order. Our staff will assist you to load your order into your car and the following is a guide for what you can expect to fit in your vehicle (no passengers, luggage, children's car seats and an empty boot).

For one large order

- A medium sized sedan holds at least 200 packets
- A medium sized wagon holds at least 300 packets

For Individually packed orders

- A medium sized sedan holds at least 150 packets
- A medium sized wagon holds at least 220 packets
- A large 4wd or SUV holds at least 300 packets

Country Delivery

Delivery to most country areas is available, but please check available days and costs with Kytons before distributing your forms. We can also supply country customers with "country" forms with products listed at 80c above the regular price to help you cover the cost of refrigerated freight to SA country areas.

Handling Stock

Please refer to product packaging and cartons for exact storage instructions. Lamingtons, pies & winter puddings require refrigeration if not distributing on the day of collection/delivery.

Finally

Remember we're here to help, so please contact us via phone (8177 0156) or email (lamington@kytonsbakery.com.au) if we can assist you in any way.

Happy Fundraising!

HOW KYTONS “WE’LL PACK YOUR ORDERS” WORKS...

Kytons can pack your individual orders (so you don’t have to gather people together to do this task), or you can choose to pack your orders and Kytons will give you a 5% discount off your final invoice. This sheet relates to Kytons packing the orders for you.

SCHOOLS THAT USE THE QKR APP

Your whole fundraiser can be run through the QKR APP – please contact Kytons on 8177 0156 so we can email you a QKR information sheet for you to fill out and return. No need to read the rest of this sheet!

GROUPS USING THE KYTONS FORMS

1. Send out your order forms and get them back from your members/ students (see “7 steps to fundraising” in our Fundraising Facts for a more detailed process).

2. Download **Kytons Fundraising Tally Sheet** (an Excel sheet on the Kytons Fundraising Page)

3. Enter the **bottom totals** from the order forms you have received onto the tally sheet (some people may return just the slip, others may return the whole form – we just need the bottom totals **as highlighted in yellow to the left** so we can pack one order per member/student). ie - we pack one order per sheet.

For your records, please hang onto these forms until all orders have been handed out (you'll need to hand them back to your members if they have returned the whole form).

4. Email the tally sheet in Excel format, to lamington@kytonsbakery.com.au (also including your pickup/delivery time) on or before the Thursday prior to the date you would like your orders. Feel free to also give us a call to confirm these details or with any other queries you may have.

Then let Kytons take care of the packing!

5. We will produce stickers from the tally sheet for each of the lines on the tally sheet and pack these orders for you.

6. You collect your orders on the agreed day (or have it delivered – charges apply) and hand out to your members/ students.

As always please call Kytons on 8177 0156 anytime if you have any questions about how this process works or if you use a different method to our regular forms, pack differently or are unable to access or use the tally sheet. Remember we’re here to help make your fundraiser a success.

Note – While we can pack orders for Country Delivery, please talk to us before planning your fundraiser as packing individual orders does have implication for freight costs & we recommend if you can, to pack the orders yourselves.
