# KYTONS FUNDRAISING FACTS 2026

Kyttons has been South Australian owned since 1938 and we specialise in assisting community groups to fundraise with our delicious bakery products. We bake all of our products here in Adelaide and being local we offer personalised advice and support for your fundraising drive.

While we are best known for Kyttons award winning lamingtons, which have **twice been awarded first prize** by the National Baking Awards, we also offer a variety of other products to fundraise with – Hot Cross Buns (**previous winner of the National Hot Cross Bun Competition**), a Winter Range, including sweet and savoury pies and a Christmas Range, featuring festive fare and gift ideas.

You'll find lots of information about Kyttons product ranges, product availability and tips for running a successful Kyttons Fundraising Drive in the attached fundraising pack and on our website [www.kyttonsbakery.com.au](http://www.kyttonsbakery.com.au)

## 7 EASY STEPS TO RAISING FUNDS WITH KYTONS PRODUCTS

1. Plan the date to receive your products and **call (8177 0156) to book the date with Kyttons.**
  2. Work out the date for forms to be returned to you. **Remember to allow yourself enough time to collate orders and notify Kyttons by Wednesday the week prior to your collection/delivery date.**
  3. Put the dates on the master form (you'll find several types enclosed, choose the one containing the products you wish to fundraise with), photocopy and distribute to your students/members etc. Colour forms with active fields for emailing can be found on our website.
  4. Collect forms, money and tally the totals. **You'll find a tally sheet on our website.**
  5. **Ring Kyttons with the final order or email the tally sheet by Wednesday the week prior to your collection/delivery date.**
  6. Pick up or have your orders delivered (we can now pack your individual orders - see separate information sheet) and distribute to your customers.
  7. Plan how to spend your new funds!
- Note: please submit your order numbers by WEDNESDAY the week before you are receiving your order.*

**IMPORTANT:** Please check your chosen day of the week and date against the product availability chart in the attached newsletter.

## OTHER IMPORTANT INFORMATION ABOUT FUNDRAISING WITH KYTONS

### WE CAN PACK YOUR INDIVIDUAL ORDERS

Kyttons can pack your individual orders for you or we offer an extra discount if you pack them yourselves:

- We can pack the individual orders (one order per student/member), removing the need to gather together a team to do this task **OR**
- If you choose to pack the orders yourself, we'll give your group a 5% discount off your invoice total (we suggest this option for country customers as packing individual orders will increase the freight costs).

Please see the "How Kyttons 'we'll pack your orders' works" information sheet for more information.

### Minimum Orders

There is no minimum order requirement but orders of less than 24 packets will attract the "suggested sell price to your customer" price detailed in the enclosed newsletter.

### Payment

Unless being freighted to the country, orders are cash on delivery or collection. Payment can be made by EFT prior to collection or cash, cheque or eftpos if you are collecting from Kyttons. Country orders are dispatched with a 7 day account enclosed.

### Delivery

Delivery is available to both the Adelaide metropolitan area or via a freight company to regional SA (subject to availability of refrigerated transport).

#### Adelaide Metropolitan Area

Delivery cost is on a sliding scale depending on how many products you sell.

Less than 150 items	\$40
150 – 300 items	\$30
More than 300 items	Free Delivery

**Or we encourage you to visit Kyttons at Edwardstown to collect your order.** Our staff will assist you to load your order into your car and the following is a guide for what you can expect to fit in your vehicle (no passengers, luggage, children's car seats and an empty boot).

#### For one large order

- A medium sized sedan holds at least 200 packets
- A medium sized wagon holds at least 300 packets

#### For Individually packed orders

- A medium sized sedan holds at least 150 packets
- A medium sized wagon holds at least 220 packets
- A large 4wd or SUV holds at least 300 packets

### Country Delivery

Delivery to most country areas is available, but please check available days and costs with Kyttons before distributing your forms. We can also supply country customers with "country" forms with products listed at \$1 above the regular price to help you cover the cost of refrigerated freight to SA country areas.

### Handling Stock

Please refer to product packaging and cartons for exact storage instructions. **Lamingtons, pies & winter puddings require refrigeration if not distributing on the day of collection/delivery.**

### Finally

Remember we're here to help, so please contact us via phone (8177 0156) or email ([lamington@kytonsbakery.com.au](mailto:lamington@kytonsbakery.com.au)) if we can assist you in any way.

# HOW KYTONS “WE’LL PACK YOUR ORDERS” WORKS...

Kytons can pack your individual orders (so you don’t have to gather people together to do this task), or you can choose to pack your orders and Kytons will give you a 5% discount off your final invoice. This sheet relates to Kytons packing the orders for you.

## SCHOOLS THAT USE THE QKR APP

Your whole fundraiser can be run through the QKR APP – please contact Kytons on 8177 0156 so we can email you a QKR information sheet for you to fill out and return. No need to read the rest of this sheet!

## GROUPS USING THE KYTONS FORMS

1. Send out your order forms and get them back from your members/ students (see “7 steps to fundraising” in our Fundraising Facts for a more detailed process).

2. Download **Kytons Fundraising Tally Sheet** (an Excel sheet on the Kytons Fundraising Page)

3. Enter the **bottom totals** from the order forms you have received onto the tally sheet (some people may return just the slip, others may return the whole form – we just need the bottom totals **as highlighted in yellow to the left** so we can pack one order per member/student). ie - we pack one order per sheet.

*For your records, please hang onto these forms until all orders have been handed out (you’ll need to hand them back to your members if they have returned the whole form).*

4. Email the tally sheet in Excel format, to [lamington@kytonsbakery.com.au](mailto:lamington@kytonsbakery.com.au) (also including your pickup/delivery time) on or before the Wednesday prior to the date you would like your orders. Feel free to also give us a call to confirm these details or with any other queries you may have.

Then let Kytons take care of the packing!

5. We will produce stickers from the tally sheet for each of the lines on the tally sheet and pack these orders for you.

6. You collect your orders on the agreed day (or have it delivered – charges apply) and hand out to your members/ students.

As always please call Kytons on 8177 0156 anytime if you have any questions about how this process works or if you use a different method to our regular forms, pack differently or are unable to access or use the tally sheet. Remember we’re here to help make your fundraiser a success.

*Note – While we can pack orders for Country Delivery, please talk to us before planning your fundraiser as packing individual orders does have implication for freight costs & we recommend if you can, to pack the orders yourselves.*

## Coloured Forms *and* Black and White Forms. Why are there both in this pack?

Depending on what you are doing with the form depends on which one is best for you to use.

### Coloured Forms

Coloured forms look great if you are emailing the forms or popping them on social media or in coloured newsletters.

They also have interactive fields so that you can fill in the details about when your forms are due and when delivery is as well as the date for receiving your products and the group name.

*\*\*You'll need software that allows you to split a PDF file to just save a coloured form from this pack OR you can download individual forms from the "download" section of the Kyttons website [kytonsbakery.com.au/fundraising-downloads/](http://kytonsbakery.com.au/fundraising-downloads/)*

### Black and White Forms

The black and white forms are great if you are photocopying off forms for your members. Print one form, then fill in the group name, contact name, return and delivery dates.

Then photocopy them off!

*\*\*To print an individual form, just choose the page number when you send the file to print, OR you can download individual forms from the "download" section of the Kyttons website [kytonsbakery.com.au/fundraising-downloads/](http://kytonsbakery.com.au/fundraising-downloads/)*
